

Fire Escape Ladders

I. Introduction

When the smoke alarm sounds, every minute counts. A fire escape ladder helps your loved ones to quickly and safely escape from their upper-story window. Just store our escape ladder under a bed or in a closet; it unfolds in an instant if needed. With an escape ladder, jumping to safety is never an issue.

Fire Escape Ladders - Protect your family by keeping a folding Escape Ladder handy!

II. Benefits of our Fire Escape Ladders

- Turns every bedroom window into an instant fire escape
- Peace-of-mind for family members in upper story rooms
- Sturdy, no-slip steel brackets securely hold the ladder in place
- Holds up to 1,000 lbs. and includes stand offs for easier descent
- Available for 2nd story and 3rd story
- Manufactured according to EN131
